

South Mountain Homeowners Association

Board Minutes October 18, 2007 – 7:00 p.m.

Board Members in attendance: Board Members not in attendance:

Joan Little Scott Openshaw

Tom Brock Dick Robinson

Garry Bond Alan Wheatley

Ken Murdock Richard Miller

Elise Blomer

Minutes of 9/20/07 were approved.

The Board welcomed two new members to the board: Joanna Smith & Peter Hoegel. We welcome both of you. It is our pleasure to have you serve.

1. Tom showed the final postcard to be mailed yet this week before Saturday, October the 20th. The board gave their approval.
 2. The website was discussed again in length, and how to continue to enhance to get more visits to the site. Joan mentioned we include a monthly updated calendar on all events happening in Draper.
 - a. Correction will be made to the SMHOA establishment date from 2004 back to 1999.
 - b. It was discussed to add software to count the visits (hits) to the site to gage the effectiveness of the web site. Board approved
 - c. Organizations for possible inclusion on our web site calendar: Alta View High, Oak Hollow Elementary, Draper Chamber of Commerce, Draper Arts Council, Draper Historical Theater, Police Blotter, Canyon Watch Committee, Draper Trails and other organizations that would draw people to the web site.
 3. The New Comer packet handouts were a great success. All those contacted were very receptive and pleased with the gifts in the packets; 5 of the 7 people contacted joined the association. The board approved the continuation of the program on an every other month basis. Elsie Blomer will head up this program.
 4. The island maintenance at Rambling & Highland has been tabled until spring. There will be discussion regarding asking one family per month to volunteer to maintain (weed control) Rambling Road Island. We will ask Randall Ralph to manage the purchase and replacement of trees and scrubs as needed on the island.
 5. Joan visited the lighted sign on Traverse Road and suggested the city should place reflective direction signs at the corner of Mike Weir and Traverse Road as when the new temple is completed the corner will be much busier and will become a safety hazard. She will make contact with the city.
 6. Nothing yet on the tree replacement on the island.
- Meeting adjourned.
